

Eevee Tamagotchi

Eevee Tamagotchi Design Brief

Project Goal

The goal is to have the Pokémon Eevee respond to the user's interaction, such as petting and rubbing.

Project Timeline

Wednesday, February 28th, 2024 (2 weeks)

Expected Outcomes

The minimum viable product will include a sprite of Eevee, reacting with a 2-3 frame animation from the user, and a text box telling the user if the Eevee is happy.

Persona

Audrey

Age: 22

Country: United States

Sex: Female

Education: College Student

Major: Visual Communication Design

Occupation: Ice Cream Parlor

BIOGRAPHY

Audrey is a design student that loves to indulge in nostalgic activities. When she isn't busy with her homework, she loves to play retro games and design art pieces related to her favorite things like Pokemon.

GOALS AND OBJECTIVES

- Graduate with a high GPA
- Work on her portfolio outside of school
- Work on fan projects for her social media profile

PERSONALITY

Creative Methodical

Sentimental Thoughtful

Extrovert Introvert

DAILY ROUTINE

Audrey has classes on the weekdays, but whenever she has free time, she will work on projects that will help expand her portfolio. On weekends she works at the ice cream parlor, and plays video games after her shift.
